Explanatory Note

This Amendment on Form 10-K/A constitutes Amendment No. 1 to our Annual Report on Form 10-K for the fiscal year ended December 28, 2002, which was previously filed with the Securities and Exchange Commission (the "SEC") on March 7, 2003 (the "Annual Report"). We are amending the disclosure set forth in Item 14 in its entirety.

This Amendment amends only Item 14 of the Annual Report as specified above and does not reflect events occurring after the original filing date of the Annual Report on March 7, 2003.

Within 90 days prior to the filing date of this report, we carried out an evaluation, under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures pursuant to the Rule 13a-14 of the Exchange Act. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective in alerting them on a timely basis to material information required to be included in our periodic filings with the SEC. In addition, there were no significant changes in our internal controls or in other factors that could significantly affect these internal controls subsequent to the date of our most recent evaluation.
